

Milwaukee M12 Plastic Pipe Shear (Tool Only)

RMW2470-20

Details

The M12 Plastic Pipe Shear and PVC Cutter can slice through 2 inch schedule 80 PVC in just 3 seconds. The cordless plastic pipe shear is compatible with M12 lithium-ion batteries (not included), providing you with more than 200 cuts on a single charge. The stainless steel blade and aluminum jaw are impact, water and rust resistant. The ultra- sharp MILWAUKEE M12 plastic pipe shear with pierce point makes burr-free cuts, helping you cut faster, cleaner and closer than traditional shears. PVC close to a wall or mounted to a stud is no challenge for the quick-return, offset blade providing you with maximum efficiency on repetitive cuts. The plastic pipe shear features a variable speed trigger for controlled cuts in warm and cold weather and an on-board fuel gauge that displays remaining battery charge and run time, giving you the versatility and productivity you need.
