

Underhill Tournament-Ready Soil Surfactant - 55 Gallon Drum

RGUHTUR55

Details

Prevent and control localized dry spots in golf greens and tees, fairways, athletic fields, and lawns. Tournament-Ready contains a blend of natural renewable-resource surfactant components combined with a special class of surface-active agents to deliver long-lasting residual performance. This unique formula works to prevent, control, and eliminate localized dry spots on golf greens and tees, fairways, athletic fields and lawns. Provides rapid wetting of repellent soils, drives down surface moisture to avoid spongy turf and delivers moderate residual for rewetting up to 14 weeks. Assists water's infiltration and drainage of compacted or hydrophobic soils. Use 8 oz (240 ml) per 1000 sq ft (100 sq M). 55 Gal.

- University tests confirm Tournament-Ready's comparable performance in side-by-side testing against leading competitive brands
- Tournament-Ready uses a blend of three surfactant ingredients to provide flexibility in use as a preventative and curative treatment
- Tournament-Ready delivers rapid wetting of repellent soils, drives down surface moisture to avoid spongy turf and delivers moderate residual for rewetting up to 14 weeks from initial application
- Tournament-Ready will eliminate localized dry spot, provide more uniform wetting action, and enhance water's infiltration and drainage
- Use 8 oz (240 ml) per 1000 sq ft (100 sq M)
- 55 Gallon / 208 Liter) Drum
