

Tire - AT27x11-12 (6 Ply) Carlisle AT489 x/L

Details

The AT489 XL tire is the heavy duty version of the original AT 489. It is an excellent choice for intermediate to hard surface use featuring a inch lug depth and lightweight construction. Made in the USA.

- Wrap-around shoulder lugs provide more side bite promoting forward traction while minimizing lateral slip
- inch lug depth deepest lug depth in all the AT489 series
- Constructed with shock absorption lugs
- 3* rated
- Soft to intermediate surfaces/mud
