

Rain Bird Tubing Cutter

RGX82100

Details

Re-designed Xerigation Tubing Cutter allows for easier and cleaner cuts of all low-volume tubing. Unique design provides two different-sized wells (one for 1/2" - 3/4" tubing and one for 1/4" tubing), giving more leverage so less force is needed to cut any tubing. Tubing Cutter is lightweight with stainless steel blades. Replacement blades available.
