

The Spot Micro Ball Mark Dresser

RP725

Details

Make ball marks virtually disappear. The SPOT is designed to help level irregularities on greens for a smoother, faster-playing surface roll. This lightweight, operator-friendly tool uses a simple point and push motion to dispense fill material. A short, quick motion releases a small amount of fill; a long slow motion delivers a larger amount. Dispense any dry material such as sand/seed mix, sand/fertilizer mix, ant bait or coarse salt for weed control.

- Smooths irregularities in greens for a faster roll
- Dispenses dry material quickly and easily
- Lightweight
- Easy to use
