

Non-Absorbent Roller Squeegee 24in

R2117

Details

This non-absorbent roller squeegee is effective for rolling collected water off golf course greens, sports fields, tennis courts or most any surface. The soft sponge core is surrounded by heavy-gauge flexible PVC skin for superior quality and long-lasting strength. Built for professional use with a 72in fiberglass handle with two rubber grips included.

- Ideal to remove collected water
