

Turf-Tec Pocket Soil Sampler 1/2in Dia. 8-1/2in Tall

RTT1016

Details

This small 1/2 in. (13mm) diameter stainless steel sampler extracts up to a 6 in. clean soil sample to inspect moisture content, root depth or any other physical characteristics. The 1/2 in. diameter is perfect for quick soil sampling on the golf course and athletic field without leaving behind a large hole. The rugged stainless steel construction allows collection without the worry of contamination from iron, copper or zinc. This small 1/2 in. x 8-1/2 in. (21.5 mm) tool easily fits in your pocket.

- Stainless Steel Soil Sampler
- 1/2 in. Diameter
